

## MARRYING MUM & DAD

We've all heard of the infamous 'bridezilla' who wants the perfect wedding - so what would happen if you were to hand the reigns over to your children?

*Four Shires'* newlyweds Debbie and Mark Smith found out in the most spectacular way last month as they took part in CBBC programme, *Marrying Mum and Dad*.

Children Jacob and Thalia, 12 and 9, were put to work and chose everything from the theme and outfits to the venue - resulting in an exhilarating exchange of vows at Silverstone Race Track, where Debbie and Mark got behind the wheel of real racing cars.

The happy couple were thoroughly surprised and both agreed that Thalia and Jacob did an amazing job. A racing start to a happy union!
